Obtaining a DUNS Number

A Guide for Federal Grant and Cooperative Agreement Applicants

The Federal government requires that all applicants for Federal grants and cooperative agreements with the exception of individuals other than sole proprietors, have a DUNS number. (See policy at: http://www.omb.gov/grants/grants_docs). The Federal government will use the DUNS number to better identify related organizations that are receiving funding under grants and cooperative agreements, and to provide consistent name and address data for electronic grant application systems.

Data Universal Number System (DUNS) Number

- The Data Universal Numbering System (DUNS) number is a unique nine-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS Number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try and keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for a grant may be sufficient.
- In order to provide on-the-spot DUNS number assignment, the requestor should do this by telephone. (See telephone number below.)

Obtaining a DUNS Number

- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future Federal grants or cooperative agreements. There is no need to wait until you are submitting a particular application.
- *If you already have a DUNS number.* If you, as the entity applying for a Federal grant or cooperative agreement, previously obtained a DUNS number in connection with the Federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update/validate the information associated with the number.
- *If you are not sure if you have a DUNS number.* Call D&B using the toll-free number, **1-866-705-5711** and indicate that you are a Federal grant applicant/prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.
- *If you know you do not have a DUNS number.* Call D&B using the toll-free number, **1-866-705-5711** and indicate that you are a Federal grant applicant/prospective applicant. D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

Managing Your DUNS Number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches/divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS Number request line at **1-866-705-5711** to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches/divisions have DUNS numbers for Federal purposes.
- As a result of obtaining a DUNS number you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name/organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Obtaining a DUNS number is absolutely **Free** for all entities doing business with the Federal government. This includes grant and cooperative agreement applicants/prospective applicants and Federal contractors. Be certain that you identify yourself as a Federal grant applicant/prospective applicant.
